EMPLOYEE SPOTLIGHT

Meet George Davis who is on our grounds maintenance crew. He has been part of the Evergreen Family since April 24, 2008

George says he spends all his spare time fishing off the bridge at Nassau Sound catching drum, reds, croakers and whiting. George said it was exciting to see the vapor trail of the space shuttle from his fishing spot on Friday evening, November 14th.

The Memory Medallion is a small disc, about the size of a half dollar, which is attached to a monument, memorial or grave marker. Inside the Medallion is a digital memory device that holds a photograph and life story of your loved one. These discs are on display in our office. Please contact Kelly or Judy for a demonstration.
