Black History Month was established in 1976 by The Association for the Study of Afro-American Life and History. February is the month when we celebrate the contributions and history of African Americans. The celebration was initially begun as "Negro History Week", which was established in 1926 by Carter G. Woodson, director of what was then known as the Association for the Study of Negro Life and History. The week was chosen because it included the birthdays of both Frederick Douglass and Abraham Lincoln. This year's theme is *"The Quest for Black Citizenship in the Americas"*

Our "St. Patty's Day 10K Run" is on March 22nd. Participants will have the opportunity to walk/run the 10K or the 5K. This is a beautiful course through Evergreen. If you are not a runner, spectators are welcome. For more information call our office at 353-3649 or First Place Sports at 731-3676.

Pictured below is Evergreen's large selection of glass-front niches . Glass-front niches are an excellent way to display a beautiful urn as a container for the cremated remains of a loved one. The glass may be engraved with the deceased's name, year of birth and death. Judy or Kelly will be happy to show you the selections available.
