Port of Jacksonville Pilot Club presentation of "Tales of our City"

Once again, the tour was an enormous success. The guides led over 800 visitors through the cemetery, stopping at more than 22 selected graves to recount stories of past Jacksonville citizens. Pictured below are some of the dramatic presentations from the tour.

Mother's Day is May 9th

Among the distinguished mothers buried in Evergreen is Susan Livingston Hartridge. She was one of the founders of St. Luke's Hospital where she is still memorialized for her contributions. Mrs. Hartridge was president of Daniel Memorial Orphanage (now known as Daniel) for 26 years. Susan managed these busy careers while raising nine children.

Memorial Day will be observed this year on May 31st. Evergreen's office will be closed, however the gates will be open.

Memorial Day is much more than a three-day weekend that marks the beginning of summer. To many people, especially the nation's thousands of combat veterans, this day is an important reminder of those who died in the service of their country.
