## How to observe Flag Day

The week of June 14 is designated as "National Flag Week." During National Flag Week, the president will issue a proclamation urging U.S. citizens to fly the American flag for the duration of that week. The flag should also be displayed on all Government buildings. Some organizations hold parades and events in celebration of America's national flag and everything it represents.

## Father's Day is June 17th

Father's Day is a day of commemoration and celebration of Dad - the special man in our life. We often forget the sacrifice of our fathers and the roles they have played in shaping our lives. Father's Day gives us the opportunity to show and express our love and care to this man, who deserves our support most. Father's Day is a day to honor not only your father, but all men who have acted as a father figure in your life - whether as Stepfathers, Uncles, Grandfathers, or "Big Brothers."
